Come join a talented team of professionals to make an impact in **St. Paul** and throughout **Minnesota!**

Sr. Program Specialist

Working to make AARP a force for social change throughout Minnesota, you will identify, develop and support programs to engage members, volunteers and target audiences in AARP advocacy, community engagement, and communications programs on issues such as health care and caregiving, financial resilience, consumer protection, and building more engaged and livable communities. In this position, you will support, research, and administer program and/or issue-related projects; coordinate and implement various volunteer and community engagement programs, activities, and events; and implement strategies to recruit, support and engage volunteers in AARP MN state plan priorities.

The position reports to the St. Paul office. Teamwork and collaboration are important as you will be joining a strong partnership of staff and volunteers who are building a dynamic presence for AARP in Minnesota.

Requires: Completion of a Bachelor's degree and at least 3 years of experience or an equivalent combination of training and experience; and exceptional organizational, communication, people, and computer skills. Experience working with volunteers is essential. Some local travel required.

Salary range: \$55,000 - \$75,000 DOE
