

New Strategies for an Aging Workforce: Bridging the Workforce Gap

Minnesota's workforce is aging, and the number of younger workers coming into the labor force is at an all-time low.

Sponsored by: **LAND O' LAKES, INC.**

Who is SHIFT?

Our Mission. SHIFT guides and connects midlifers seeking greater purpose and passion in life and work.

Our Purpose. As a community for people during midlife who are navigating work/life transitions, SHIFT helps its members create pathways to meaningful and sustainable lives.

The SHIFT community connects individuals making midlife transitions who seek greater meaning in life and work.

SHIFT also engages employers and volunteer organizations to underscore the essential value midlifers bring to the workplace.

SHIFT Employer Forum

Tuesday, October 16

In this special presentation from SHIFT, our panel of experts will discuss the ensuing talent gap, the impact this will have on the Minnesota business community and how best to prepare with innovative strategies and organizational mindset shifts. The panel discussion will be followed by round table discussion and Q&A.
